Section B

This section of tables illustrate the success rate as a percentage of applicants by category.

The number of candidates invited to E-tray might be higher than the number who pass the online test: disabled candidates may seek exemption from the online test and proceed straight to E-tray.

¹ The fall in 2004 reflects the introduction of online self-assessment, which has proved an effective mechanism for discouraging unrealistic applications. Since then, an application is deemed to have been submitted only if the applicant has completed the self-assessment and proceeds to take the online tests.

¹ The fall in 2004 reflects the introduction of online self-assessment, which has proved an effective mechanism for discouraging unrealistic applications. Since then, an application is deemed to have been submitted only if the applicant has completed the self-assessment and proceeds to take the online tests.
