1<sup>st</sup> October 2004

Competitions Commission  
Fao Mr Geoffrey Munn.

Dear Mr Munn

## **Sale of Sovereign Bus Company to Arriva and Implications for Rural Services**

Further to our telephone conversation with your office, this Council is concerned that the lessening of competition if the acquisition went ahead could result in loss of service, particularly within the rural area, and would seek assurance from Arriva that this fear is groundless.

Yours faithfully

Geraldine Atkins  
Clerk to the Council
