Subject: Brittany Ferries and P&O ferries merger

Good morning Mr Doyle,

I come back to you regarding your letter from 15 december 2004 and relating to the above reference.

In my point of view I do not see any problem if Brittany Ferries take the Portsmouth - Le Havre line.

We use nearly all lines in the west channel and we think even if Brittany Ferries operate in Le Havre we will still be able to compare their competitiveness with the other lines in west channel or in the north channel.

Sincères salutations / Best regards
