Source: HMV, Ottakar's and CC calculations.

*Store sizes are rounded to the nearest 100 sq metres.

†Distance calculations based on store postcodes and hence represent an 'as the crow flies' calculation.

‡Ottakar's confirmed that the Edinburgh George Street lease had not been renewed, and that this store would cease to trade on or before 13 May 2006, thereby ceasing to be an overlap store regardless of the outcome of the proposed merger. Ottakar's has another store in Edinburgh, Cameron Toll, which is approximately 2.2 miles from the other Edinburgh stores.

§Meadowhall stores are approximately 3.6 miles from Waterstone's Sheffield store.
