Dear Ms. Rounce,

Greenwich Regional Casino Examination in Public - Additional Information

The Casino Advisory Panel requested a number of additional pieces of information at our Examination in Public on 30th August. Please find enclosed the following:

1. Sustainable Tourism Strategy
2. Information on visitor numbers and investment in the Maritime Greenwich World Heritage Site
3. Supporting evidence for casino job numbers

In addition, we were asked to provide copies of two of our SI06 agreements, namely the MDL SI06 Agreement and the Royal Arsenal (Warren Lane) SI06 agreement. These are lengthy documents running to several hundred pages. Rather than send these in paper form, I will send these to you by email so that you can select the relevant information for the Panel members to inform their discussions at the appropriate time.

Please let me know if you need any further information.

Yours sincerely
