

CONSULTATION: GAMBLING ACT 2005 (LICENSING AUTHORITY POLICY STATEMENT) (ENGLAND AND WALES) REGULATIONS

Response from Broxtowe Borough Council

Question	Response
Is there anything else you think ought to be included in the licensing policy statement regulations and why?	No. Concerns about the definition of interested parties will be raised in the Gambling Commission consultation. (Ref 5(b))
Is there anything that we intend to include in the licensing policy regulations that you disagree with and why?	No.
In particular, we are interested to hear views on the provisions relating to the advertisement and publication of statements and subsequent revisions and the use of the term 'principal office' of the authority.	Should the regulations provide for the licensing authority to specify its "principal office" in the policy?
Any other comments or suggestions	There appears to be no Section 8(2)(c) as referred to in 8(2). Should the reference be to 7(2)(c) ? Similarly reference is made to 9(b) which does not exist. Should this be 8(b)?
