Dear Madam,

Media Ownership Consul tati on Responses

The members of this church are in favour of removal of the Restrictions on Christian Broadcasting.

We broadly support your suggestions outlined in the Consul tati on Document of November 2001 but ask that you consider the views expressed and the proposals made by World Association of Christian Radio Amateurs and Listeners in their submission to you, a copy of which is attached. Our views concur with those of this Association.

Yours fai thful ly,
