Subject: Christian Radio

Dear Sir or Madam,

As a fellow Christian I wish it to be known that I would like the opportunity for a Christian radio station to be available in this country. It gives the chance for people who are housebound to listen to a programme or music that appeals to them, and as other religions are able to do the same I feel strongly that in this supposedly Christian country that we live in we should have the opportunity to listen to a Christian radio station. Please don't erode the fabric of this country by not granting a licence to the Christian Radio Station as is looking likely in the near future.

Yours faithfully

Derek Robinson

Boys' Brigade Secretary Hull & East Yorkshire
