Subject: Broadcasting Licences

Dear Tessa Jowell,

I appeal to you to use your powers to remove the present restrictions on licences for Christians to operate radio and TV stations locally and nationally, within the normal broadcasting guidelines. This is not only about freedom and fairness, but also as a counter to the many negative influences that are being broadcast in our country at this time.

Thank you very much, and all good wishes.

James S. Kyle

Superintendent Minister

Bude Circuit of the Methodist Church
