Subject: National Broadcasting Licences

Dear Ms. Jowell,

I am writing as the minister of a church in Cardiff with a membership of approximately 600 people to ask that you lift the ban on Christians applying for national broadcasting licences. I and many of the members of my congregation enjoy listening to UCB, Premier Radio in London and various other Christian channels via the God Digital network and find them to be excellent family entertainment.

Please lift the ban so that many others, both Christian and non-Christian can benefit from excellent programming like this

Yours sincerely,

Rev. Stephen Ball
