Tessa Jowell MP,
Secretary of State for Culture Media & Sport,
2-4 Cockspur Street, London, SW1Y 5DH

Dear Ms Jowell,

I am writing on behalf of my church---Colchester Area Community Church---to appeal to you to have the present ban lifted whereby Christians are prevented from applying for national broadcasting licences. Much of the good in our country has been founded on Christian principles and morals and we fail to see why there should be any restrictions or discrimination against Christian churches or other Christian organisations preventing them from being able to apply for national and local licences for both radio and TV.

I would appreciate your assurance that the views of Christians in this country in regards to this matter will be duly taken account of in the drafting of the New Broadcasting Bill.

Yours sincerely,

Roy E. Wheeler
Senior Pastor
Colchester Area Community Church
