Subject: National Broadcasting Licences

To: Tessa Jowell MP

Secretary of State for Culture Media and Sport.

As a committed Christian I am writing to request that the ban on Christians being able to apply for national and local TV and radio licences should be lifted.

I am totally convinced that this nation would benefit tremendously by Christians being able to broadcast some good news.

I urge you to prayerfully consider the consequences of continuing with the ban on Christian broadcasting.

Sandy Fergusson. Pastor.
