Subject: Gospel Message over the Airwaves

Dear Sirs

My name is Don Sanders. I'm the pastor of Victory Christian Centre, a new one year old church in Edzell, Scotland. It has been one of our most fervent prayers, since our beginning, that the TV and radio airwaves would be opened to presenting the Gospel over Great Britain.

In such troubled times as we live in, this message of hope could only help this nation and it's people, not harm it. My congregation and I respectfully ask that the ban on Christians applying for licences be lifted and that licenses be given to the Christian broadcasters who apply for them.

Yours Sincerel y,

Pastor Don Sanders
