

29-7-04

Dear Madam/Sir,

I am writing to you to urge you to please recognise Melan Kernow as a regional party, and that region is Kernow.

For too long this country of Kernow has been lied to and about. We are not in England, merely adjacent. You should treat the Cornish the same as our Celtic cousins in Scotland, Wales and Northern Ireland.

Please treat Kernow with equanimity for once.

Yours faithfully,

J. M. Webb
