

Scarborough

Here is summary of the 4 representations received in relation to Scarborough's casino bid.

Support

- We received no letters in support of Scarborough's bid for a casino.

Opposition

- We received 4 letters objecting to Scarborough's bid.
- All 4 letters are not convinced there is enough demand for a second casino in the town. The Grosvenor Casino closed in July 2006 and the Opera House Casino opened in 2005. Two casinos in the town could also lead to a rise in problem gambling.¹
- One letter argued that the local population have not been allowed to express their opinions.²
