Dear Sir/Madam

## Warminster Baptist Church and United Church of Warminster

We the undersigned are supporters of Warminster Community Radio, (WCR) community radio. We would like to urge that a change in the community radio framework proposal, **particularly 4.7 of the Myers report be adopted** to enable WCR and small stations like it to hold a full licence. This would enable us to hear new information about our area as soon as possible, and throughout the year. It is also good for us to be able to share our news with the area so that the people of Warminster know what is going on in their town.
