Dear Mr Wakelin,

MINOR VARIATION PROCESSES AND REMOVE CERTAIN
REQUIREMENTS AT COMMUNITY PREMISES.**

With reference to the above, my Council welcomes the following:-

- The introduction of any simplified processes to the Licensing Act 2003 and the removal of any unnecessary burdens on licence and club certificate holders.
- The simplification of any minor variations processes to premises licences and club premises certificates.
- To remove the requirements for a designated Premises Supervisor and personal licence for community halls.

I trust you will take my Council's comments into consideration.

Yours sincerely,

Clerk.
