National Endowment for Science, Technology & the Arts – Trustee Reappointments

Ian Pearson, Minister for Science and Innovation, has reappointed two Trustees to the Board of NESTA. Chris Powell has been reappointed as Chair of the Board of Trustees until 30 October 2009, and Dr Tracy Long has been reappointed as a Trustee, until 14 December 2009.

Following the June 2007 Machinery of Government changes, responsibility for NESTA was transferred from the Department for Culture, Media and Sport to the Department for Innovation, Universities and Skills (DIUS). Further information about these reappointments can be found at the DIUS website – www.dius.gov.uk/press/15-11-07.html – where the announcement of future NESTA Trustee appointments will be made.
