Annwyl Mr. Richardson,

SYLWADAU AR YR ARWEINIAD DIWYGIEDIG A WNAED O DAN ADRAN 182 DEDDF TRWYDDEDU 2003

Cyfeiriaf at y ddogfen ymgynghorol a nodaf y sylwadau canlynol:-
Yn gyffredinol rydym yn croesawu'r sylwadau a wneir yn yr arweiniad diwygiedig, drwy nodi isod y mannau rydym yn anghytuno neu'n dymuno gwneud sylwadau pellach ynglŷn ag unrhyw gwestiwn.

CWESTIWN 3
Rydym yn cytuno gyda'r sylwadau ond hefyd yn gofyn am well arweiniad o sut y diffinnir 'prif weithgaredd' mewn unrhyw sefydliad.

CWESTIWN 7
Rydym yn cefnogi opsiwn 2.

CWESTIWN 13
Cytunwn gydag awgrymiadau'r llywodraeth, ond buasem yn dymuno pe buasent yn mynd ymhellach, sef bod gwell arweiniad ar faint o sefydliadau'n rhesymol dylai unrhyw un unigolyn fod yn Oruchwyliwr Eiddo Dynodedig, a hefyd (ond efallai bod angen newid i'r ddeddf i hyn), bod gofyn am berson sy'n berchen a thrwydded bersonol fod yn bresennol ar bob adeg y gwerthir alcohol.

CWESTIWN 29
Cytunwn a hyn, ond awgrymwn hefyd bod rhyw fodd o ychwanegu gwybodaeth sy'n cyfeirio ar draws .. o fewn y ddogfen ble mae hynny'n berthnasol.

CWESTIWN 31
Buasem yn hoffi gwell arweiniad ar Ddigwyddiadau Dros Dro. Eto efallai bod hyn yn gofyn am ddiwygio'r ddeddfwriaeth ei hun ond buasai unrhyw wybodaeth o fewn yr arweiniad yn gam cyntaf ac yn dderbyniol.

Hyderaf y bydd y sylwadau yma'n derbyn ystyriaeth ac yn cyfrannu at yr ymgynghoriad cenedlaethol ar yr arweiniad.

Yn gywir,

Rheolwr Trwyddedu

Simon Richardson, Licensing Guidelines Review Team
Tourism Sub-Section
Department of Culture, the Media and Sport
2 –4 Cockspur Street London SW1 5DH

Dear Mr Richardson,

COMMENTS ON THE REVISED GUIDELINES MADE UNDER SECTION 182 OF THE LICENSING ACT 2003

I refer to the consultation document and would make the following comments:-
We generally welcome the remarks made in the revised guidelines, and note below the places with which we disagree or wish to make further comments regarding any particular question.

QUESTION 3
We agree with the remarks but would also ask for better guidance on how the 'primary activity' in any establishment is defined.

QUESTION 7
We support Option 2

QUESTION 13
We agree with the Government's proposals, but would wish that they went further, viz. better guidance on the number of establishments for which any individual should reasonably be a Designated Premises Supervisor, and also (but perhaps a change to the Act would be necessary for this), that there should be a requirement for a person who holds a personal licence to be present on every occasion alcohol is sold.

QUESTION 29
We agree with this, but would suggest also that there should be some means of adding cross-referencing information.... within the document wherever relevant.

QUESTION 31
We would have liked to have had better guidance on Temporary/Occasional Events. However, this might also require a revision of the legislation itself but any information within the guidelines a first step and acceptable.

I trust that these remarks will receive due consideration and will contribute to the national consultation on the guidelines.

Yours etc
