

Annex 12 RNRRS Evaluation Resources

BASIC DOCUMENT PACK FOR CORE TEAM MEMBERS

- RNRRS Programme Guidance:
 - o Red Brick
 - o Yellow Brick
 - o Guidance Notes for Programme Managers plus amendments related to untying etc.
 - o Performance Measurement in Renewable Natural Resources Research
 - o Methodologies Programme Report 1995/2000
 - o DFID Poverty Guidance Notes
- Developing a Framework to Assess the Poverty Impact of NR Research
- Monitoring the Impact of the DFID Renewable Natural Resources Research Strategy for 1995 - 2005
- Report of workshop on 'Impact of DFID Renewable Natural Resources Research Strategy for 1995-2005
- Handy Guides to Natural Resources Research
 - o (West and North Africa; Eastern Africa; Central and Southern Africa; South East Asia; Western Asia; India; Bangladesh; Nepal; Latin America and Caribbean)
- RNRRS Project Lists by Country (51)
- RNRRS Project Lists by Programmes (10)
- Inception Reports
- Programme Logical Frameworks x 10
- Annual reports x 10 areas for the last year
- PAC Meeting Minutes
- Programme Team Meeting Minutes
- Evaluative Review of DFID RNRRS Fisheries Sector Research Performance
 - Final Report – Volume 1 - The Impacts of Fisheries Research
 - Final Report – Volume 2 – Case Studies
 - Final Report – Volume 3 – Demand for Fisheries Research and the RNRRS Programme
- Evaluation Review of Selected Livestock Research Themes
 - Final Report July 2000
- An Evaluation Study of FRP's Carbon Sequestration Project in Southern Mexico
- Control of the Larger Grain Borer in Tanzania and Ghana
- Tree Fodder – Use of *Calliandra calothyrsus* in Kenya
- An Evaluation Study of Participatory Crop Improvement in Nepal
- Cassava Mosaic Virus Disease in Uganda
- Dry Zone Hardwoods – Use of *Gliricidia sepium* in India
- Link to CGIAR audit 2003-4 - others available from E Warham
- PARC Impact Assessment Tool reports x10 available after 13th October
- RNRRS Case Studies (NR International Positive Developments Book)
- Sustaining Change (Workshop report on uptake)
- Publications Catalogue 2003
- Making a Difference
- Scaling up Strategies for Research in Natural Resources Management
- The Characteristics of Six Natural Resources Production Systems 2003
- The Developmental Impact of Selected Fisheries Sector Research Themes 2000
- Positive Developments 2004
- Natural resource management and human health
- Pathways out of Poverty: People-centred solutions from fisheries
- Natural Resources Research by CGIAR and other International Centres/Programmes supported by DFID 2003-4
- News from Natural Resources Research 2001
- Hot Rural Research funding by DFID

- Establishing DFID priorities for development research 2003 consultation workshop
- CD on Socio-Economic Methodologies Programme 1995-2000 Best Practice guidelines
- Video DFID Rural Livelihoods: Hands on-earth Report Compilation
- AgFax Service and list of DFID Interviews including RNRSS
- Natural Resources Research Award Scheme 1999/2000
- Natural Resources Research Award Scheme 2000/2001

BASIC DOCUMENT PACK FOR ALL SPECIALISTS

- RNRRS Programme Guidance:
 - o Red Brick
 - o Yellow Brick
 - o Guidance Notes for Programme Managers plus amendments related to untying
 - o Performance Measurement in Renewable Natural Resources Research
 - o Methodologies Programme Report 1995/2000
 - o DFID Poverty Guidance Notes
 - o Report of workshop on 'Impact of DFID Renewable Natural Resources Research Strategy for 1995-2005
- Inception Reports
- Programme Logical Frameworks for relevant area
- Annual Reports for the relevant area
- Documents on the relevant Programmes work
- Handy Guides to Natural Resources Research
 - o (West and North Africa; Eastern Africa; Central and Southern Africa; South East Asia; Western Asia; India; Bangladesh; Nepal; Latin America and Caribbean)
- RNRRS Project Lists by Programme
- PARC Impact Assessment Tool reports for relevant area available only after 13th Oct 2004
- News from Natural Resources Research 2001
- CD on Socio-Economic Methodologies Programme 1995-2000 Best Practice guidelines
- Publications Catalogue 2003
- Making a Difference
- Scaling up Strategies for Research in Natural Resources Management
- The Characteristics of Six Natural Resources Production Systems 2003
- Natural resource management and human health
- News from Natural Resources Research 2001
- CD on Socio-Economic Methodologies Programme 1995-2000 Best Practice guidelines
- RNRKS Agricultural Research Themes 1999
- AgFax Service and list of DFID Interviews including RNRSS
- Natural Resources Research Award Scheme 1999/2000
- Natural Resources Research Award Scheme 2000/2001

By programme area sent to particular specialists: (other sources can be found in the Specialists Reports in Annex 10)

Crop Post Harvest:

- Pathways out of Poverty: People -centred solutions from Crop Science
- Enhancing Impact 2003
- Post Harvest Bulletin 3 and 4
- Issues Papers 1-6
- Rural Women Earn cash for butter from nuts in Ghana
- Harvest
- Subsistence farming of indigenous vegetables in E and Central Africa
- CD eGuide: Breaking into the mainstream food markets in the UK
- CD Annual reports 2001-2

Fisheries

- Pathways out of Poverty: People -centred solutions from Fisheries
- Bibliography of DFID fisheries RPs 1900-8
- Bibliography of DFID fisheries RPs 1990-2001
- A review of insect infestation of traditionally cured fish in the tropics
- Aquaculture News Number 28 April 2002
- Management Guidelines for Asian floodplain river fisheries Part 1-3
- Inland fishery enhancements
- Post Fish News Issue 2, 3 and 4
- DFID Research on Asian Inland Fisheries
- Participation and post-harvest fisheries
- Fish Seed Quality in Asia
- CD Annual Reports 2001-2 incl PH fisheries

Crop Protection

- CD Annual Reports 2001-2 incl crop protection
- Combating vegetable pests in Kenya
- Pathways out of Poverty: People -centred solutions from crop science
- Sustaining Change

Plant Sciences

- Report of Research Consultancy on PSP logical frameworks
- Pathways out of Poverty: People -centred solutions from crop science
- Farmers and plant breeders in partnership
- Breeding rainfed rice for drought prone environments
- Rice biotechnology report
- Plant sciences research programmes in print 1995-7
- Transgenic potatoes for the benefit of resource poor farmers 2000
- Plant science research programme conference³ on semi-arid systems

Forestry

- Focus on forests
- Forestry products and research themes
- Pathways out of Poverty: People -centred solutions from forestry research
- Fruits for the Future (Ndjansang; Monkey Orange)

NRSP

- Pathways out of Poverty: People -centred solutions from crop science
- The systems approach in the NRSP
- Manure management in the Kenya Highlands
- Agro-meteorological information from the meteorological satellite data
- A strategy to stabilise slash and burn agriculture at the forest margin
- Locating poverty in NRS research
- The evolution of colonist farming systems at the forest frontier
- Adaptive management of NR by small farmers in the Sahel
- Poverty in the peri-urban interface
- Community forestry in Nepal
- Common property issues, tenure and access rights in relation to land use management at the forest-agriculture interface
- Scaling up and communication
- ODA NRSP Annual Report 1995
- The Health Impacts of Peri-urban NR Development
- NRSP Annual Report 1997-8
- NRSP Annual Report 1996-7
- Productive water Points in Dryland Areas
- Agroforestry forum Dec 1997
- Research Highlights 1999 -2000
- Research Highlights 2001-2
- Research Highlights 2002-3
- The Peri-urban interface
- CD Gathering in the rain
- Indigenous Knowledge Methodology

Livestock

- CD Annual Reports 2001-2 incl Livestock production
- Livestock newsletter Oct 2001
- Bio-briefs April 2001
- AHP Annual Report 2002-3
- AHP Annual Report 1995
- DFID-funded tsetse and trypanosome research and development since 1980 Vol 1, 2 and 3
- Trypanosomosis, tsetse and Africa - Annual report 2001
- Tsetse control: the next 100 years
- Tsetse eradication: sufficiency necessity and desirability
- Investigating animal health research to alleviate poverty
- Mapping poverty and livestock in the developing world
- Can livestock and wildlife co-exist?
- Pathways out of Poverty: People -centred solutions from fisheries
- AHP strategy
- Sustaining Livestock in challenging dry environments
- The LP programme
- Livestock Talk June 1999 and Sept 2000
- Impact on Sustainable Livelihoods and Selected Livestock Themes
- Sungura in the Shamba
- Better manure, better crops
- Good calf, good cow
- Tethered goats, less work
- Clean hands, clean milk
- Healthy pig, healthy profit
- Donkey work made easy
- The Livestock and Poverty Assessment Methodology: A Toolkit for Practitioners
