

DFID ON-GOING PROJECTS IN VIETNAM

(Updated Mar 09)

No	Project Title	Descriptive Summary	Purpose	Allocation	Start Date	End Date	Cofinancier	Partner	Project Location
1	Poverty Reduction Support Credit (PRSC 6-10)	This is the second phase of general budget support (2007-2011) to PRSC 6-10 to achieve Government's growth and poverty reduction targets by promoting policy reforms and providing additional financing for implementation. The total allocation for the programme is £100,075,000, of which £100 million is for budget support over five years (2007-2011) plus an additional £75,000 for monitoring and evaluation. Though the programme is administered by the WB, fund is channelled directly through the State Bank of Vietnam.	The reforms by the Government of Vietnam prioritise policies that sustain growth and directly benefit the poor.	£ 100,075,000	Nov 2007	Mar-12	ADB, Australia, Canada, EC, Germany, Ireland, Japan, Netherlands, Spain, WB, France, Denmark	PRSC 6: State Bank of Vietnam, PRSC 7-10: Ministry of Finance	Central
2	Primary Education for Disadvantaged Children (PEDC)	Total project allocation is £26,000,000, co-financed with GOV, WB, NORAD, CIDA, and AusAID, administered by the WB. The principal recipient institution is Ministry of Education and Training, targeting at 40 provinces in Vietnam.
