

Some Observations

1. Level of discussion:

- Excellent quality
- Conceptual / theoretical – needs to be more operational

2. Learning experience:

- Good sharing of experiences among practitioners and donors
- Needs to involve governments

3. Sectors – Finance/ Agriculture / Labor / Basic Services:

- May need to be extended – more to basic services?
- Country experiences – good practices

4. Overall work in progress:

- Need for continued engagement
- Future conference in 2005?
