Total PIMS Marked PRBS Expenditure		422 941	290 824	130 667	200	1 250	-

1. This includes bilateral projects/programmes which have been allocated PIMS marks. To avoid double counting, data for different markers within this table cannot be added together.
2. Principal and Significant markers have been combined for any of the 3 PIMS marks relating to the MDG, with no double counting across markers.
