

CONTENTS

FIGURE	pg
Bathymetry	1
Electricity Supply System	2
TIDAL RESOURCE	
Peak Flow for a Mean Spring Tide	3
Peak Flow for a Mean Neap Tide	4
Mean Spring Tidal Power Density	5
Mean Neap Tidal Power Density	6
Annual Mean Tidal Power Density	7
Annual Mean Tidal Power Density, North East Area of UK	8
Annual Mean Tidal Power Density, South East Area of UK	9
Annual Mean Tidal Power Density, South West Area of UK	10
Annual Mean Tidal Power Density, North West Area of UK	11
Mean Spring Tidal Range	12
WAVE RESOURCE	
Annual Mean Significant Wave Height	13
Annual Mean Wave Power	14
Seasonal Variations in Mean Wave Power	15
Annual Mean Wave Power, North East Area of UK	16
Annual Mean Wave Power, South East Area of UK	17
Annual Mean Wave Power, South West Area of UK	18
Annual Mean Wave Power, North West Area of UK	19
OFFSHORE WIND RESOURCE	
Annual Mean Wind Speed	20
Seasonal Variations in Mean Wind Speed	21
Annual Mean Wind Power Density	22
Annual Mean Wind Power Density, North East Area of UK	23
Annual Mean Wind Power Density, South East Area of UK	24
Annual Mean Wind Power Density, South West Area of UK	25
Annual Mean Wind Power Density, North West Area of UK	26
RESOURCE ASSESSMENT	
Shallow Water Zones	27
Annual Mean Wind Power Density within limits of the 25 metre contour	28
Annual Mean Wind Power Density within limits of the 50 metre contour	29
Wave Resource Assessment Example	30
Tidal Current Resource Assessment Example	31
ADDITIONAL INFORMATION	
Location of Tidal Model Grids	32
Location of Wave Model Grids	33
Location of Wind Model Grids	34
