

## MACHINERY

### UK APPROVED BODIES

The following is a consolidated list of organisations which have been appointed to be United Kingdom Approved Bodies for the purposes of the Supply of Machinery (Safety) Regulations 1992 SI 1992/3073 (as amended by SI 1994/2063) as at **1 October 2005**. They have been notified to the European Commission and other Member States and are able to undertake type-examination and other related activities under the terms of the EC Machinery Directive 98/37/EC within the scope indicated below.
