**Notes:**

1. Of those who moved into employment, the number who were employed for 13 weeks or more is given.
2. Gender and disability breakdowns are based on indicators as recorded on the Labour Market System (LMS).
3. Ethnic origin breakdown is based on Employment Zone contractor indicator.
4. Age on starting Employment Zone based on date of birth recorded on the Labour Market System (LMS)
5. Because of rounding, components will not necessarily sum to total.
