Senior Auditors

£31k – £36k (depending on qualifications and experience)

3 year fixed term appointment (with possibility of extension or permanency)

Central London

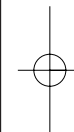

The Treasury's internal audit team are looking for two experienced senior auditors. The roles are demanding, providing an internal audit service within a complex, challenging and dynamic environment. The successful candidates will undertake specific audit assignments within HM Treasury. These assignments are varied and would suit self-motivated and enthusiastic professional internal auditors with several years' experience.

You will need to be MIIA, CIPFA or CCAB qualified. Knowledge of auditing projects and/or policy areas would be an advantage. Personal skills required include the ability to be forward thinking and innovative, to work with people of all levels and to represent the team and HM Treasury courteously and professionally. Of particular importance will be your communication skills.

As well as your salary, these appointments offer comprehensive benefits packages including generous holidays, a pension scheme and extensive training and development opportunities. We take work/life balance seriously, including alternative working patterns and family friendly policies.

These vacancies are open to those UK nationals, Commonwealth citizens, nationals of EC and EEA states, and nationals of Switzerland who have the right to live and work in the UK.

HM Treasury is an equal opportunities employer. We value diversity and would like our workforce to reflect the society we serve. We guarantee an interview to any candidate who declares themselves as disabled and who meets the minimum selection criteria.

HM TREASURY

For further information on the work of HM Treasury and details about how to apply, please visit www.hm-treasury.gov.uk/careers or phone 020 7270 4567. The closing date for applications is midday 26 January 2004. No agencies please.
