London,
SW1A 2HQ

Dear Sir Nicholas:

RE: STERN REVIEW | RESPONSE TO JANUARY PAPERS

Please find attached the practice's response to your request for reactions to the following documents published on your web site in January 2006.

- PDF file of Discussion paper outlining key issues in the Economics of Climate Change
- PDF file of Technical annex to the discussion paper
- PDF file of Nick Stern's Oxonia lecture at Oxford on 31 Jan 2006

We look forward to the publication of the Stern Report in 2006 and if there are any interim reports we would be delighted to support your work with further comments and feedback in relation to the design, architecture, planning and construction sectors.

Yours sincerely

Stowell, George
