### Explanation of Accounting Officer responsibilities

In accordance with the Government Resources and Accounts Act 2000 the Treasury has made the following Accounting Officer appointments for the Requests for Resources within this Estimate.

**Request for Resources 1**                      Andrew Hind, Chief Executive of the Charity Commission

Andrew Hind, as the Principal Accounting Officer (PAO) of the Charity Commission has personal responsibility for the proper presentation of the Charity Commission's resource accounts as prescribed in legislation or by the Treasury and their transmission to the Comptroller and Auditor General. The PAO as the permanent head, in addition to the responsibilities for the assigned RfR, remains in general overall charge of the Charity Commission.

The responsibilities of an Accounting Officer are set out in Annex 4.1 of Government Accounting. In essence these responsibilities include a personal responsibility for the propriety and regularity of the public finances for which they are answerable; for the keeping of proper accounts; for prudent and economical administration; for the avoidance of waste and extravagance; and for the efficient and effective use of all available resources. In addition, the Accounting Officer must ensure that there is a sound system of internal control to support the achievement of the Charity Commission's policies, aims, and objectives; and should regularly review the effectiveness of that system.
