DAO(GEN)4/95
GA Chapter 7

16 June 1995

Dear Accounting Officer

PUBLIC ACCOUNTS COMMITTEE: CONCLUSIONS OF GENERAL APPLICATION

Tim Burr circulated in DAO(GEN)6/94, dated 13 June 1994, details of PAC conclusions from the 1992-93 Session which were applicable beyond the department(s) covered by the report in question but were not the subject of new central guidance.

2. Attached to this letter is a list of such conclusions of general application for the 1993-94 Session. The list is annotated with a reference to, and the text of, the relevant paragraphs of the Government reply. Departments should consider these conclusions and the reply, and take any action which they judge appropriate.

APPLICATION TO NON-DEPARTMENTAL PUBLIC BODIES

3. Where appropriate, departments should draw items to the attention of the senior full time officials of non-departmental public bodies which they sponsor.

ENQUIRIES

4. Any enquiries should be addressed to John Breckenridge, telephone (GTN) 270 5361.

Yours sincerely

Jamie Mortimer
