<sup>1</sup> Since the revisions to corporate administration under the Enterprise Act, those administrations which resulted in a Creditors' Voluntary Liquidation (CVL) have been separately recorded by Companies House. These post-Administration new case CVLs are not included under the headline CVL figures at Table 1 as they do not represent a new company entering into an insolvency procedure for the first time. Similar information for Administrations converting to a Compulsory Liquidation or to a Company Voluntary Arrangement is not available; however numbers of these are relatively low in comparison.
