<sup>3</sup> An industry breakdown according to the previously used Insolvency Trade Classifications (ITC) is available up to Q3 2006 at <http://www.insolvency.gov.uk/otherinformation/statistics/200702table5.htm>. The period from Q4 2006 to Q2 2007 is not available broken down by industry.

<sup>4</sup> Totals for trading-related bankruptcies here are not entirely consistent with the figures under Table 2a. This is because the industrial breakdown has been compiled from a specially selected extract from the live database, whereas the headline figures are produced monthly using a different reporting system.
