

# BRITAIN IN THE REGION 2010 24 November

## Explore new business opportunities in the Middle East and North Africa

You are invited to join UK Trade & investment specialists from across the Middle East and North Africa, at a major conference and business networking event in Dubai on 24th November 2010.

## About the Event

Britain in the Region is a major networking event comprising of a mix of business workshops, panel discussions and one-to-one meetings on opportunities across the Middle East and North Africa.

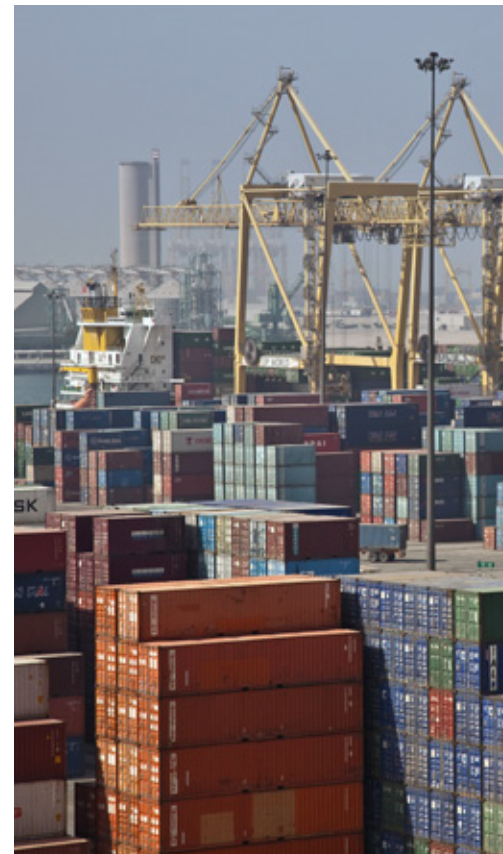

It will involve experts and representatives from regional agencies responsible for stimulating trade & investment; both local companies and uk companies already established in the region; experts on banking, legal issues, HR and recruitment; and the Directors of UK Trade & Investment and their teams from across the region.

The event's primary focus will be on those sectors identified as presenting the best opportunities to UK firms over future years: Energy, Infrastructure, Professional and Financial Services, Healthcare, Education, Creative Industries, Security and Defence. There will be opportunities for networking with a wide range of potential partners, clients and other commercial contacts.
