

DON'T BE A NUISANCE

Noisy fireworks are fun – but they can cause a disturbance to residents and frighten pets and other animals. It is important to be considerate when using them.

Under certain circumstances it can actually be an offence to cause a disturbance with fireworks. The relevant legislation is the Noise Act 1996 and the Environmental Protection Act 1990.

Further information about this legislation can be obtained from the Department of the Environment, Food and Rural Affairs.
