## Transport statistics

---

Welcome to the official statistics pages of the DfT website. The Department collects, analyses and publishes a wide range of statistics covering all forms of transport. You can search this part of the web-site, for the data or publications you want, by topic or theme at [Statistics \(data, tables and publications\)](#), alternatively you can also find information about [recent publications](#) and statistical releases.

To find out more about what we do, read our '[Introduction to transport statistics](#)'.

### Latest releases:

[Road Traffic and Congestion in Great Britain: Q1 2009](#) - 7 May 2009

[Congestion on inter-urban roads: monthly provisional estimates](#) - 7 May 2009

[Vehicle Licensing Statistics: 2008](#) - 9 April 2009

[Sea Passenger Statistics: 2008](#) - 9 April 2009

[International Sea Passengers Provisional Estimates: February 2009](#) - 9 April 2009

[Child casualties in road accidents: 2007 factsheet](#) - 2 April 2009
