THE LAW SOCIETY'S PERFORMANCE & PROGRESS AGAINST THE TARGETS & PLAN DURING THE PERIOD 1 APRIL 2007 TO 31 MARCH 2008

SUMMARY OF PERFORMANCE DECEMBER 2007

• Impartiality • Transparency • Efficiency • Effective remedy •

Appointed under the Access to Justice Act 1999 as an independent regulator working with the Law Society on behalf of the consumer to improve standards in complaints handling

AIM OF THE LEGAL SERVICES COMPLAINTS COMMISSIONER

The aim of the Legal Services Complaints Commissioner (the Commissioner) is to regulate the complaints handling arm of the Law Society to help ensure that it handles complaints about its members effectively and efficiently. The Commissioner's website address is www.ol SCC.gov.uk

APPROACH TO SETTING TARGETS

In order to focus the Law Society on key areas for improvement, the Commissioner requested that it provide a complaints handling Plan (the Plan) showing how it would deliver performance improvements in its complaints handling system and processes over the period 1 April 2007 to 31 March 2008. In relation to the Law Society's performance, she also set targets in three key areas:

- **Timeliness** – to improve the speed with which complaints are handled by the Law Society;
- **Quality of decisions** – to improve the quality and consistency of complaints handling by the Law Society; and
- **Delivery of the Plan** – to implement the agreed plan for complaints handling.

The targets set by the Commissioner included areas where, if performance was improved, the Law Society could move closer towards delivering an effective and efficient complaints handling service.

The Law Society agreed to the targets set by the Commissioner and included these within its Plan for the period 1 April 2007 to 31 March 2008. A full copy of this Plan along with details of the Law Society's complaints handling organisation can be found on the following websites www.lawsociety.org.uk www.sra.org.uk www.legalcomplaints.org.uk

In setting the targets the Commissioner took into account the Law Society's performance and what it could realistically aim to achieve. The Commissioner considered a range of information, including monthly performance information from the Law Society, the requirement for broader improvements, the results of a benchmarking study conducted by her Office of other complaints handling organisations, and the findings of audits undertaken by her Office in 2005 and 2006. This information demonstrated that the Law Society needed to take further action to improve its systems and processes, including the consistent application of its own policies and procedures when dealing with complaints as well as delivering more broader improvements, for example improving accessibility to its services.

At the end of the Plan year, 31 March 2008, the Commissioner will assess whether the Law Society has handled complaints in accordance with its Plan. If she decides that it has not, the Commissioner can levy a penalty on the Law Society of up to one million pounds.

LAW SOCIETY'S COMPLAINTS HANDLING OPERATION

The Law Society handles complaints about solicitors concerning service or conduct issues, from consumers of legal services. For the purpose of this report, "complaints" includes both complaints in which solicitors' clients seek redress, and complaints about solicitors' conduct, whether made by solicitors' clients or by third parties. The term "complaint" does not include enquiries, (this is where the Law Society provides information, clarification, or an explanation of jurisdiction), these are counted separately.

In January 2006, the Law Society re-structured its organisation into 3 separate functions:

- the Law Society is responsible for representing solicitors;
- the Legal Complaints Service (LCS) is responsible for handling the majority of client related redress complaints about the service provided by solicitors in England and Wales to consumers; and
- the Solicitors Regulation Authority (SRA) is responsible for regulatory and disciplinary matters; setting and maintaining standards; handling complaints that allege misconduct against solicitors

MONITORING THE LAW SOCIETY'S PROGRESS AGAINST THE TARGETS

This summary report provides information to show how LCS & SRA are performing against each of the target areas included within its Complaints Handling Plan.

Performance against the timeliness target areas, the Legal Services Ombudsman's satisfaction rating, and delivery of the Plan is monitored via monthly management information reports provided by LCS & SRA. Progress and performance against some of the quality targets can only be measured by the Commissioner's Office undertaking an audit of case files.

FINAL ASSESSMENT OF THE LAW SOCIETY'S PERFORMANCE AGAINST ITS PLAN

The work outlined in the Plan is aimed at bringing the Law Society's complaints handling service closer to an effective and efficient level of performance and achieving the targets set by the Commissioner.

The Commissioner has the power to levy a penalty against the Law Society if it fails to handle complaints in accordance with its Plan. In determining whether the Law Society has handled complaints in accordance with its Plan, the Commissioner will take all relevant factors into account at the end of the Plan year, 31 March 2008.

The Law Society performance against its Plan will be assessed through the critical analysis of Management Information, Key Performance Indicators, audit findings, meetings with the Law Society, written correspondence and the outcomes of any visits to the Law Society.

Summary of Law Society Performance and Progress Against its Targets and Plan During the Period 1 April 2007 to 31 March 2008

TIMELINESS TARGETS

Timeliness Target T1 - By the end of March 2008, to have no cases that have been open for 12 months or more, except for a maximum of 65 Redress and Conduct (RDC) matters.

- At the beginning of April 2007 there were 163 cases over 12 months old. By the end of December 2007 this figure had reduced to 130.
- Of the 130 cases over 12 months old, 80 are over 15 months old and 38 of these cases are over 18 months old.
- Of the 130 cases over 12 months old, 52 are RDC complaints both on the service provided by the solicitor and on allegations of misconduct.

Timeliness Target T2 – to close 67% of complaints within 3 months of receipt.

- In-month performance for December 2007 shows that LCS & SRA achieved 62% of cases closed within 3 months.
- Year-to-date performance shows that LCS & SRA are currently achieving 66% of cases closed within 3 months, against a target of 67%.

QUALITY TARGETS

- Performance against most of the quality targets can only be measured by the Commissioner's Office undertaking an end-of-year audit of case files. The exception to this rule is quality target Q6, which is assessed through monthly management information supplied to the Commissioner by LCS & SRA.
- The Commissioner's Office also undertakes an Indicative Target Audit (ITA) of case files at the halfway point of the Plan year. And although these findings do not contribute towards the end-of-year decision, they do provide a useful indication of LCS & SRA performance so far.

<u>Year-to-Date Performance Against Quality Targets 1 to 5</u>	OLSCC ITA Audit Results	Commissioner's Target	Variance from Target
Q1 - Acknowledgements	91.3%	93%	-1.7%
Q2a - Substantive Response	81.1%	88%	-6.9%
Q2b - Standard Information	95.6%	93%	2.6%
Q3 - Sufficient Information	87.6%	85%	2.6%

- Quality target Q1 is intended to measure how effectively LCS & SRA acknowledge new cases.

Quality Target Q3 – 85% of complaints have, at an appropriate stage, the Law Society’s indicative awards guidance (IAG) and Reasonable Offer Made (ROM) guidance (where the ROM process is being followed) shared with the consumer and solicitor.

- Quality target Q3 measures whether LCS shares appropriate guidance with consumers and solicitors at the relevant stage of the case. This ensures that they can make an informed choice about the resolution of their complaint.
- According to the recent ITA audit results, LCS shared the IAG and ROM guidance with the consumer and solicitor in 87.6% of cases, 2.6 percentage points above the Commissioner’s target of 85%.

Quality Target Q4 – to provide all specified customer/informant updates in 88% of cases. For the full life span of Redress and Conduct (RDC) matters, and for conduct matters where informants have an interest, they will be offered contact every 30 days. Those informants not requesting 30-day contact will be kept informed at three key stages. Informants without an interest will be kept informed at the final key stage.

- Quality target Q4 measures whether LCS & SRA update consumers/informants on the progress of their complaint on at least a monthly basis or at key stages during the complaint.
- According to the recent ITA audit results, LCS & SRA provided all customer/informant updates in 82.1% of cases, 5.9 percentage points below the Commissioner’s target of 88%.
