

LAST MEETING: 2pm, 13th July 2005, CNR

NEXT MEETING: 2pm, 12th October 2005, ConocoPhillips

GENERAL TRADING ISSUES

The returns up to July 2005 showed that the number of flare consents was 41, the number over the VAT was 10 and the number under was 31. The total consents bubble awarded was approximately 2.5K tonnes per day, the VAT was 2.3K tonnes per day and the total actual flaring was 2.1K tonnes per day. The total volume available to trade is 0.2K tonnes per day or 49K tonnes for the year to July.

Therefore, the VAT below the consents bubble was 5.9%, actual flaring below the VAT was 9.9%, and the overall track below the consents bubble was 15.8%.

Please submit returns to Louise Novell (DTI) promptly each month.
