

SUPPLY CHAIN
code of practice

How can I find out about purchasers' forward work plans after Share Fair is over?

**PILOT Forward Workplan
(A live, online Share Fair)**

How do I use Forward Workplan?

visit www.fpall.com

click on ITT templates and future workplans

Here you will find a link to a list of purchasers displaying their future work plan summaries. Click on each link to see the nature of the work planned, the point of contact and the expected timing of the project.

What are the benefits of Forward Workplan?

- It helps to provide an indication of future activity by participating purchasers
- It acts as a planning aid to help facilitate potential business opportunities for the supply chain
- It helps both purchasers and suppliers comply with the Supply Chain Code of Practice in communicating about opportunities

As a purchaser, how do I sign up to use forward workplan?

Just call FPAL on 01224 337 500
