THE MAN WITHOUT A FUTURE

Brendan McKenna IRA gunman and bomber, now a so-called independent councillor

Brendan McKenna was dragged up in Lurgan along with other well known murderers like the Duffys. Contrary to the wholesome image the media would have you believe McKenna's past is not one of choif practice and Gaelic football, it is one of shooting, bombing and murder. McKenna joined the IRA while still at St. Michael's Grammar school Lurgan. In 1982 he was sentenced to six years in prison for hijacking, possession of a firearm and false imprisonment. While in the Maze he became close friends with Bobby Storey, now IRA chief of staff, and his second in command Spike Murray, these two men have been pulling McKenna's strings since he left gaol. Under the command of Storey, Ermond Stack a Jesuit Priest and with advice from Lurgan solicitor and former bomber Rosemary Nelson (8a William st, Lurgan Tel 321885), this motley crew have for the past six years been trying to put into place a plan that was first used by the Jesuit Philip Muller. His plan was to destroy the religious rights and freedom of Hungarian Protestants by bringing them into conflict with the state. McKenna your plan has been found out, your time is running out!
