

*Our roads
have come a long
way since
the 50s. Are you
up to speed?*

**Refresher driver training
could help you or someone
you know to:**

- Read the road ahead more effectively
- Build confidence for motorway driving
- Plan for and negotiate junctions and crossings
- Prepare for and interact with other road users

For your nearest driver training team or instructor visit www.driving-schools-directory.co.uk/refreshertraining or contact your local council road safety officer.

***Careful!
Considerate!
Correct!***
