Feedback form

The distinction between solicitors and barristers, as practiced in the United Kingdom, does not exist in Greece; Greek lawyers will do the work of both. The lawyers are registered with the Greek Bar Association and speak English.

Disclaimer: The British Consular Network provides lists of lawyers for the convenience of enquirers, but neither HMCG nor any official of the Consulates take any responsibility for the competence or probity of any firm / lawyer on these lists or for the consequence of any legal action initiated or advice given.'
