Dear Mr + Mrs Bowles,

I am so sorry to contact you at such a difficult time.

There is no way I can begin to understand what you and your family must be going through and I apologise if me getting in touch has made things harder for you.

I wanted to leave you my details in case there was anything you felt you might like to say about Sebastian as a tribute.

If there is anyone you would rather speak to me on your behalf, then please pass on my details.

Once again, I apologise for coming to see you at such a terrible time.

kindest regards,
