*Sir Brian,*

Thank you very much for your letter of 23<sup>rd</sup> August.

I agree with your first point. I have made it something of a mission to persuade newspapers to publish regular slots containing information about the PCC. Your recommendation can only increase pressure on them to do so, particularly if it is endorsed by the Commission. I understand that at the moment newspapers and magazines do donate free advertisements – although this is on rather too much of an ad hoc basis for my liking.

Your suggestion about the survey is welcome. I shall ask Tim to find out how much money might be needed for the exercise, and to put it in the budget which will shortly be considered by Pressbof.

With kind regards.

*Yours ever,*
