Suggest therefor Bank of England announce extension to liquidity scheme allow Banks say 5 yrs to implement Basle 3 and if you can scrap talk of Bank Tax other countries wont go along with it anyway  
Best Aidan

David im sure your aware that the credit markets are not good and are likely to get worse as they all err on on the side of caution faced with combination of more regulation Basle 3 more liquidity losses from sovereign debt the end of bank of england support and potential tax all at wrong time for economy given also government cuts i hope you dont mind me mentioning it regards Aidan
