We are ok with Ofcom report and will only do redacting on OFT interim on some commercial sensitive. It will be quickly done and we will not prevent a possible launch tomorrow if decision is positive. Hope it's helpful

Can't say for certain - partly depends on when we have fully publishable versions of all the docs (I know you and oft are in touch on that). Sorry I can't be more specific right now. Jon

Jon, we spoke with OFT - OFT / Ofcom are currently working on a joint list of questions on the agreements. They will send the list early next week. We have suggested an all hands mtg next week after receipt of the questions to explain and provide answers. Have a nice week- end. Fred
