Findings and further consultation on the extension to charging by Fire and Rescue Authorities

1.0 Charging consultation

1.1 Fire and Rescue Service Circular 60-2006, published 26 September 2006, accompanied the limited consultation on the extension to the Charging Order by Fire and Rescue Authorities.

1.2 The consultation closed on mid-day on 10th January and the findings from this can be found here: http://www.communities.gov.uk/index.asp?id=1508088

1.3 The findings include a second consultation which asks for comments on adding one specified category to the Charging Order.

1.4 This consultation is also limited in that it has been sent to specific stakeholders. This does not prevent the document being passed on to others for comment and response.

1.5 The deadline for responses to this consultation is mid-day on 30th May 2007.
