

## Changing views on the Great War

Most of the other case studies in this exhibition contain original sources that were produced around the time of the Great War. In this case study, you are going to examine a range of sources produced at widely different times.

You will probably find it helpful to study the [Background](#) before you start looking at the sources.

Use the [Worksheet](#) as you look through the sources. You will then be able to choose two sources and write a report to answer the key question in this gallery.
