How to use this source:

Study this source carefully. It contains information that could be useful in your presentation on life in the trenches. As you study the source, ask yourself:

- What do these photos tell you about the organisation of catering in the trenches?
- British soldiers were probably better fed than any other troops. Do these sources provide evidence to support this view?
- Which aspects of trench warfare do these sources provide information on?
- How could any of these sources be used in your final presentation?
