

Source 6

Extract from the Illustrated London News showing leaders at the Versailles Peace Conference, 28 June 1919

(Catalogue ref: ZPER 34/154, reproduced by permission of the Illustrated London News Picture Library)

How to use this source:

Study this source carefully. It contains information that could be helpful in deciding why it was so hard to make peace. As you study the source, ask yourself:

- Can you estimate the number of leaders and officials shown in this image?
- Does this image help you to understand why it was hard to make a peace treaty that all leaders could accept?
