Volume 10
Economic Impact and International Trade

Terms of Reference, Committee Members and Report Volumes vii
A note on the footnotes viii

1 Introduction 1
Scope of this economic survey 1
Terminology 2

2 Impact on the public sector 3
Introduction 3
Part 1: Research 7
MAFF expenditure 7
Department of Health 9
Creutzfeldt-Jakob Disease Surveillance Unit (CJDSU) 10
Funding of other BSE/CJD research 10
Research Councils 10
Biotechnology and Biological Sciences Research Council (BBSRC) 11
Medical Research Council (MRC) 12
Scottish Office 13
Wellcome Trust 13
European Union 13
Summary of BSE/TSE-related research expenditure 14
Part 2: Compensation schemes 15
Ministry of Agriculture, Fisheries and Food (MAFF) 15
Department of Agriculture for Northern Ireland 16
Part 3: Running costs and other expenditure 16
Ministry of Agriculture, Fisheries and Food (MAFF) 17
Running costs 17
Diagnosis and surveillance 17
Carriage, valuation and disposal of carcasses 17
Department of Health 18
Running costs 18
National Health Service 18
Scottish Office 19
Welsh Office 19
Northern Ireland Departments 19
Local authorities 20
3 Impact on the private sector

Assessing the impact on the private sector

Part 1: The Market

Introduction: the role of agriculture in the economy
Beef production
Production of substitute meat products
Meat consumption and substitution between products
Factors contributing to the decline in beef consumption
The impact of the media on consumption

Part 2: Impact of BSE on the beef and cattle industry by sector

Background
Farmers
Compensation schemes
Limitations on the sale of milk
The market price of cattle
Increased operating costs
Summary: the effect on farmers

The meat processing industries
Slaughterhouses
Head boners
Mechanically recovered meat (MRM) producers
Meat-packers/butchers

Renderers
Processing costs
Loss of the meat and bone meal (MBM) market
Disposal costs

Knackers
Disposal costs
Processing costs
Loss of market

Feed manufacturers
Loss of raw material
Processing costs

Peripheral industries

Summary: effects of BSE on the private sector

4 Where did the economic consequences of BSE finally fall?

Consumers
5 The framework for the export of cattle, beef and cattle-derived products 50

Introduction 50
Volume of relevant UK exports 50
Regulation of exports under UK law 52
The European Union 52
    The framework for exports to the EU 52
    UK Permanent Representation to the European Union 54
    Organisational structure and decision-making 54
        The European Commission 55
        The Council and the Committee of Permanent Representatives 55
        Standing Veterinary Committee 56
        Scientific Veterinary Committee 56
International obligations 57

6 The export of live cattle, beef, and bovine semen and embryos 58

Live cattle 58
    Exports to EU Member States 58
    Exports to non-EU countries 61
Beef 62
    Exports to EU Member States 62
    Exports to non-EU countries 64
Bovine semen and embryos 65
    Exports to EU Member States 65
    Exports to non-EU countries 67

7 Exports of MBM and compound feed, gelatine, tallow and medicines 68

MBM and compound feed 68
    Introduction 68
    Export to EU Member States 69
    Export of MBM to non-EU countries 72
Exports of gelatine 72
Tallow 73
Medicines 74

Glossary 79

Who's who 83
